NEWS FROM THE PEQUANNOCK RIVER COALITION

PRC Sores Norcross Grant

July 27, 2011 - The Norcross Wildlife Foundation has generously provided \$2200 to us for the purchase of a new laptop computer, software and extras. With our programs expanding, and the heavy demands from monitoring and other data-intensive projects, a back-up system for our existing computer was a real necessity. Now, PRC is better protected from the vagaries of computer bugs and able to provide off-site processing. Three cheers to the folks at Norcross for continuing to underwrite our group.

Thanks,
Ross Kushner, Executive Director
